RECOMMEND YOUR FAMILY AND FRIENDS SCHEME

Legacy Wills firmly believe that satisfied customers are the best possible and most effective advert we could ever have.

This is why we would much rather commit a generous sum to our 'Recommend your family & friends scheme' in preference to TV and internet advertising.

This way, we can generously thank you for advocating us and introducing new customers to the company. So if you like what we do, tell your friends and family about us and enjoy the rewards!!

# LEGACY WILLS

## How it works....

1. Talk to your family and friends about us and our services
